OrthoClear Warranty

Den-Mat Holdings, LLC ("DenMat") warrants, for a period of six (6) months, from the date the original OrthoClear case is received at the office of the prescribing doctor, that the appliance will be free from defects in materials or workmanship. In the event of a defect in materials or workmanship, the exclusive remedies are limited to the appliance covered by this warranty and are listed below.

Please inspect the product and for the first 30 days, if you discover that the Virtual Treatment Plan or manufacturing processes were not followed, the lab will repair or remake your case without affecting the warranty.

After 30 days, DenMat will, at its option, repair or replace the OrthoClear appliance that proves to be defective in materials or workmanship despite adherence to the original prescription instructions. DenMat's warranty obligation is limited to a one-time replacement of the appliance, and DenMat makes no warranty, express or implied, with respect to the replacement. DenMat will not repair or replace existing crowns, veneers, or bridgework, nor will DenMat cover any dental fees associated with the OrthoClear appliance repair or replacement.

This Limited Warranty only covers defects in materials and workmanship to the original OrthoClear appliance, and does not cover breakage or loss during ordinary consumer use. It does not cover damage caused by accidents, abuse, improper installation, failure of supporting tooth or tissue structures, improper adjustments, grinding, bruxing, or improper dental hygiene. If DenMat Lab inquires about the margin, model, or impression, but the customer asks us to proceed, the case will be made without any warranty.

To obtain warranted coverage, please return all aligners and previous impressions for evaluation. If a discrepancy arises, you may be subject to additional fees. If the original product is not returned, a return deposit will be invoiced until the product is returned.
